

# Send In The Clowns.

All of these nails have been hand painted. The paints I have used are acrylic paint in :- Turquoise, Holly berry, Porcelain flesh, Golden yellow, Raw umber, Pumpkin, True navy, Raspberry, White, Black, Baby pink, Buttercup, Medium blue, and Emperors gold.

The base colours for the nails on the bottom row starting from the left are nail polish in `Pansy`, `Purple dream` and `Blue me away`.

For the nail on the top row I used raspberry acrylic paint as the base colour.

The hand nail with juggling balls was cut to shape with a craft knife to make `ball` shapes .I used blue multi and orange multi foil on two of the balls the other one was painted with acrylic paint as was the gloved hand and background.

I used satin seal topcoat so that I didn't get any reflection when photographed.

The brushes used are just artists brushes in sizes `1`, `2`, `00000` And `10`0`.

The camera used to photograph my nails is a Sony digital MVC-FD92.I have not used any editing software
