Acrylic l&p sculptured p&w

- 1) Sanitize and prep nails as usual
- 2) Prime nails
- 3) Apply nail forms
- 4) Re-prime one and one nail before applying product, so that the primer still is wet when l&p is applied
- 5) Apply white l&p for zone 1 / the free edge and give it a happy smile :-)
- 6) Apply pink l&p for zone 2 and 3, making sure correct apex placement
- 7) Squeeze the c-curves when the nails get the dull / non-shiney look
- 8) Remove nailforms
- 9) File nails
- 10) Buff nails with one drop of cuticle oil
- 11) Wash hands
- 12) Apply polish
- 13) Apply cuticle oil and you're ready to go ;-)
