

## *Full Effect Halloween design:*

1. *Prep the nails as normal for a tip and acrylic application.*
2. *Apply the tips to all the nails that will not have exceptional designs on them.*
3. *Trim, angle and file the nails to the appropriate length for the design.*
4. *Beginning with the left thumbnail:*
  - a. *Build a bubble nail with two tips and fill with appropriate rhinestones and glitter or beads for the theme.*
  - b. *Place the tip onto the thumbnail with nail glue.*
  - c. *Using black acrylic for the cuticle area fill in around the tip.*
  - d. *Apply a dry ball of orange acrylic for the pumpkin and make the lines to represent the creases on the pumpkin.*
  - e. *Before the acrylic sets up completely place the triangle shaped rhinestones for the eyes and round rhinestones for the mouth and press into the acrylic.*
  - f. *Use a tiny dry ball of green acrylic for the stem of the pumpkin. Then use another green ball and form the leaf.*
5. *The left index fingernail:*
  - a. *Apply orange acrylic on the entire nail*
  - b. *Hand-paint on the face of a pumpkin using black acrylic paint and apply high, shine topcoat to complete the design.*
6. *Apply black acrylic to the entire nail of the left hand middle finger nail.*
  - a. *Using dry ball of teal/green acrylic form the shape of an eye.*
  - b. *Place a triangle shaped rhinestone in the center for the pupil of the eye.*
  - c. *Coat the entire design with high shine topcoat to finish.*
7. *On the ring finger of the left hand begin a spiral:*
  - a. *Cut the tip down to the shortest length after adhering it to the nail with nail glue or simply use a nail form and build right off the natural nail.*
  - b. *Place a form on the nail and begin by applying a small ball of orange acrylic at the cuticle area of the nail.*
  - c. *Repeat the process with a ball of black acrylic and bring it to the free edge of the nail or desired length for the design.*
  - d. *Begin to working the orange and black colored acrylic out onto the form / straw until you reach the desired length.*
  - e. *Place tiny dry beads of black dots onto the orange acrylic and tiny dry beads of black acrylic onto the orange section of the spiral.*
  - f. *Coat with a high, shine topcoat*
8. *For the left hand pinky nail:*
  - a. *Apply black acrylic to the entire nail surface.*
  - b. *Place dry balls of bright red acrylic to represent the blood drops.*
  - c. *Drill three holes into the nail tip to appear as piercing.*

- d. *Place a metal jewelry jump ring into two of the holes and circle completely through the nail.*
  - e. *Place a bead onto one on the rings at the edge of the nail.*
9. *On the right hand thumbnail:*
- a. *Cut the shape(s) for the free rolling bead out of the end of the tip.*
  - b. *Place the beads onto a wire and adhere to the back of the tip with clear acrylic. The beads should appear through the cut out holes in the tip.*
  - c. *Glue the tip onto the right thumbnail with nail glue.*
  - d. *Apply acrylic to the cuticle area and then extend it down to the end of the tip being careful not to touch the beads.*
  - e. *Using a dry bead of white acrylic form the ghost at the top portion of the nail.*
  - f. *Before the white acrylic sets up, place three black rhinestones into the design for the eyes and mouth.*
  - g. *Cover the tip, but not the beads with a high shine topcoat.*
10. *The right index finger nail:*
- a. *Coat the entire nail with orange acrylic.*
  - b. *Free-hand paint the spider web and spider onto the nail with acrylic paint.*
  - c. *Apply topcoat to the design.*
11. *The middle finger of the right hand:*
- a. *Apply black acrylic to the entire nail.*
  - b. *Use a dry ball of yellow acrylic to form the moon.*
  - c. *Hand-paint the bat onto the surface of the moon.*
  - d. *Apply topcoat to the design.*
12. *For the ring finger on the right hand:*
- a. *Place red acrylic down the center of the nail.*
  - b. *Apply black acrylic down the outer edges of the nail.*
  - c. *Drill six holes into the nail. (Three holes on one side and three holes on the other side in the black acrylic).*
  - d. *Lace heavy thread though the holes in a corset design and then knot at the underside of the nail.*
  - e. *Cover the entire design with high shine topcoat and this keeps the threads from breaking or moving.*
13. *Finally by not least... the right hand pinkies nail:*
- a. *Apply black and red acrylic into the scratched out design*
  - b. *Use a dry bright red bead of acrylic to form the blood drop.*
  - c. *Apply high shine topcoat to the design.*
